

Quiet Corner Cribbage Summer League 2026

Revised 3/6/2026

When & Where

- The season will play every Tuesday June 9 to August 18 at the Pomfret Community Center, 207 Mashamoquet Road starting at 6:00pm.
- An end-of-season tournament is scheduled for Tuesday August 25.

Players

- A player must be at least 16 years old and have a basic understanding of the game and the rules.

Fees and Registration

- League fees are \$10 per person. League fees will go towards hall expenses, equipment and operations. All financial transactions will be posted on the league web site.
- There are three ways you can register for the league:
 1. Register and pay electronically through the Pomfret Online Registration Platform! Scan the QR code below or go to the following Pomfret Recreation website:

<https://secure.rec1.com/CT/pomfret-ct/catalog?filter=c2VhcmNoPTQyMTI2NzA=>

Go under the Activities and Programs Tab and scroll down to 'Summer Cribbage League'

2. Go to the league website (www.quietcornerleagues.com), click on Cribbage Home under the Cribbage menu, then click the Registration Form button and print out a form. Complete and mail with your check

to Pomfret Recreation Dept., 5 Haven Rd., Pomfret Center, CT 06259 -
OR -

3. Submit the form and payment on the first night of the league.

Equipment

- All equipment (crib boards, cards) will be supplied by the league. All league games must be played on equipment supplied by the league.

Format

- Play is broken up into two different concurrent formats: a weekly competition and a league competition.
 - A total of 6 games will be played each week. The number of people who show to play each week will dictate the specific format for that evening's play. Players may end up playing doubles, singles, or cutthroat in any of the 6 games.
 - Each week players will be given a scoresheet to fill out after each game they play. Players will earn 1 point for each doubles and singles win, and 1.5 points for each cutthroat win. Players will also record how many points they won or lost by. For cutthroat games, the winner will record the points won from the largest loser. After the last game, players will tally their total points and hand their scoresheet into the committee chairman.
 - After each game is played, the losers will rotate clockwise to the next table for the next game (exception: if you are playing a singles match, both players will rotate to the next table).
 - When starting a new game of doubles, you must team up with a player that you have NOT played with previously for that night if possible.
- **Weekly Competition**
 - Each week participants will contribute \$1 to the evening prize pool. The three players with the most points at the end of the night will share the evening prize pool. In case of a tie, the Net Points will be the tiebreaker.
 - During play players must pay a quarter for each zero hand they incur. Two of the remaining players will be randomly drawn to split the quarters collected for that evening.
- **League Competition**
 - Each week your total score will be averaged in with scores from previous weeks. Player standings ranked by best average will be updated weekly on the league website. This will determine the 'Points Champion' for the season and will be displayed on the league website.

- Each week your Net points will be cumulatively added with previous weeks. Player standings ranked by best Net will be updated weekly on the league website. This will determine the 'Net Champion' for the season and will be displayed on the league website.
- You must play at least 70% of the games to be eligible to become a 'Champion'.

The Skunk Jar

- If you or your team is skunked in any given game, they must contribute \$1 to the skunk jar! The proceeds will go towards appetizers/desserts for the tournament.

Rules of Play

Cribbage rules can be reviewed at the following link:

https://en.wikipedia.org/wiki/Rules_of_cribbage

A few further clarifications in the rules below will apply:

- Dealing and Cutting
 - For the first game, the deck is cut to determine which player will deal first in the first game of the match. In doubles, every player cuts the deck. Thereafter the losers of the previous game cut for deal.
 - If a dealer mistakenly exposes a card during dealing, all cards are immediately collected, the deck reshuffled, then the hand re-dealt.
 - If either player was dealt the wrong number of cards, there shall be a re-deal by the same dealer.
 - Always cut ahead to determine the 'common' card (called the 'starter' card). If the starter card is turned over before all cards have been discarded to the crib, the card is turned over, the deck is shuffled, then the cut is redone.
 - If the dealer mistakenly exposes more than one card in turning the starter card, the correct (top) card becomes the starter card. Also, all players have the right to see the exposed card(s) before it is returned to the pack.
- Points and Counting
 - Once cards have been released by the player to the crib, they cannot be picked back up for reconsideration.
 - Cards should be laid on the table for counting. Players should agree on count of each hand before it is pegged.

NOTE: *This is a friendly league! Be helpful and point out counting errors to your opponent, regardless if it helps or hinders your game! We do NOT support 'Muggins' (This is the rule that if a player misses some points in their hand the opponent calls it and takes the points for themselves.).*

- Hands are to be counted and pegged consecutively commencing with the player to the left of the dealer and finishing with the dealer with the crib.

Etiquette, Terms, and Conditions

- Disputes - If there is a dispute that cannot be resolved by the participants during a game, they will call over the acting committee chairman to resolve the dispute.
- Spectators will NOT interfere with any game, either to advise players, correct called scores, or correct pegging.
- As a matter of courtesy players are requested NOT to leave the table during a game unless necessary.
- Alcohol consumption is NOT allowed at the Pomfret Community Center.
- The recreation department and this league will not tolerate excessive foul language, or disruptive or overly aggressive behavior. If exhibited, you may be asked to leave the premises and/or may be subject for dismissal from the league. The team would forfeit the current and/or future games that the person was going to play. Dismissed players may not be replaced by the team but can use substitutes for the remainder of the season. There will be no refunds.

End of Season Tournament and Gathering

- The End of Season event will be held on Tuesday August 25. All league members can participate in the tournament. Regular season Net Points ranking at that time will determine seeding for the playoff bracket (regular season Best Average Score will break seeding ties).
- The tournament will double elimination, with each round consisting of one singles game.
- Cost to enter the tournament will be \$10. 1st place will receive 70% of the prize pool and 2nd place will receive 30%.
